## FROM THE PRINCIPAL'S DESK

### FOR EVERYTHING THERE IS A SEASON

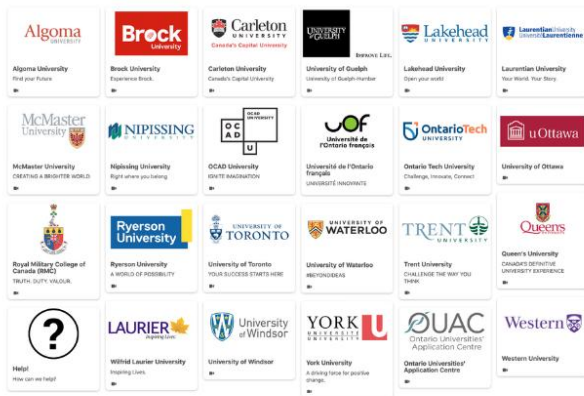

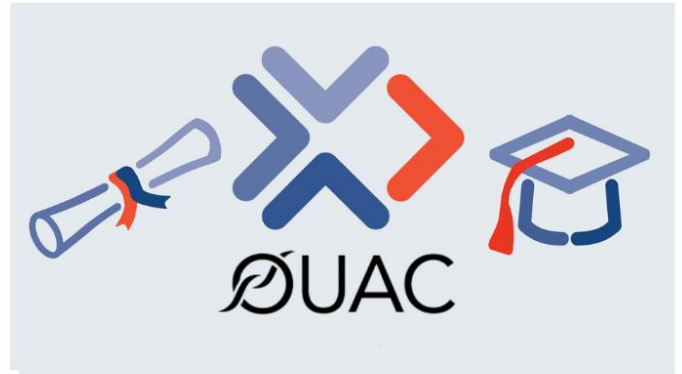

*Principal George Vanderkuur*

A wise man once said “ For everything there is a season”. He meant that our lives go through different stages, each of which has a purpose. Also, each season of our lives is preparation for the next season. At this time of year we see nature preparing for its next season. The vibrant, orange, reds and yellows of the autumn landscape fall will soon be gone and will change to a black and white season when nature rests in preparation for new life.

Similarly students are in a season of preparation for their future lives. They have left the season of carefree childhood to take on the responsibilities of young adulthood. As we enjoy each of nature's seasons, may we also appreciate this season of our own lives.

### January 15, 2025

The deadline for applicants to submit their completed applications to the OUAC.

Note: The OUAC will continue to process applications received after this date and distribute them to the Ontario universities; however, specific university deadlines will apply.

### May 29, 2025

The latest date all applicants who submitted their application by the January application deadline can expect a response from an Ontario university. This includes an offer of admission, a refusal or a deferral, once additional information is received.

### June 2, 2025

The earliest date an applicant may be required to respond to an Ontario university offer of admission and financial commitment (e.g., registration deposit, residence deposit). All other admission-related elements, including scholarships, other forms of student assistance or financial incentives, and offers of residence, are considered part of the offer of admission. Therefore, a student may accept these other offers before June 2, 2025, but Ontario universities will not compel a student in any way to make a decision before this date.

# THANKSGIVING DAY AND OCTOBER BIRTHDAY PARTY

ADDY SONG

Happy Thanksgiving !

The TCA family came together to celebrate Thanksgiving and October birthday before the long weekend! Our principal George Vanderkuur shared some heartfelt Thanksgiving thoughts, but of course, what everyone was looking forward to the most was the delicious feast featuring a perfectly roasted turkey. In addition to the traditional meal, our thoughtful student council prepared some spicy favourites like spicy mix for those who miss that hometown heat! The rich flavors brought a taste of home to campus.

Big thanks to all the students who helped make this event so special, and to our hardworking teachers.
